Report of Operative G T Purdy

New Brunswick, N.J.

Sept. 29th, 1926

Re: Jane Gibson

Operative went to the Rariton Trust Co. at 107 Smith Street, Peeth Amboy, N.J. to interview Mr. Adolph Greenbaum, who formerly conducted a real estate business in Perth Amboy, but has since moved to New York City. Mr. Greenbaum is a director in this bank and was supposed to be there to-day to attend a directors meeting. Operative interviewed the assistant manager of the bank, who informed me that the meeting was held yesterday and that Mr. Greenbaum did not attend it as he just returned from a vacation in Detroit, Mich. and that he does not attend the meetings regularly. Operative was given Mr. Greenbaum's address in New York, which is, The Metuchen Realty Corp., 207 Broadway. Operative telephoned this information to Mr. Thompson, who said he would forward it to Mr. Palzer, who would look it up in New York.

Operative then went to Highland Park in an effort to locate A.E.Soper, who saw a car going fast towards the Phillips Farm the night of the murder, Sept. 14th, 1922 and in the car were two men and a woman who wore a long grey coat. Made inquiries around Highland Park and was informed at the Post Office that Mr. Soper moved from Highland Park a few years ago. Made further inquiries, but could not locate him this day, but will continue the endeavor again.

Respectfully submitted:
